

FCCA ASSISTANT TEACHER TRAINING
& INFORMATION PACKET

2017-2018 DANCE SEASON

Thank you for your interest in our Teacher Assistant program. This is a special program for students who are interested in being an assistant teacher. This program gives our older/advanced students an opportunity to work, in a positive manner, with the younger dancers at our studio. Teacher Assistants typically gain confidence by being a helper in the dance classroom. Also, by assisting they get to learn what it is like to be a FCCA Teacher. FCCA Teachers look forward to working with dancers who have a passion to assist, this is probably how they got their start. We have noticed our assistant's dance skills improve and their passion for dance blossoms. We look forward to working with you for the 2017/2018 season.

Sincerely,

First Coast Center for the Arts

Staff and Management

DEMERITS

FCCA Teaching Assistants are held to the highest standard of expectations by the studio and its staff. As this is a training ground for dance students who may have a particular interest in working as a dance teacher in the future, there is a level of responsibility and commitment that needs to be displayed by these students. Please note that demerits will be distributed for the following:

- Unexcused absence (1 demerit)
- Tardiness (1 demerit)
- Out of dress code (1 demerit given for each dress code item not adhered to; i.e. not wearing tights **AND** not having the appropriate dance shoes would be 2 demerits)
- Other demerits may be given at the discretion of Ms. Hollie

Students who have an excessive number of demerits will be asked to have a meeting with Ms. Hollie and their respective FCCA Lead Teacher to discuss where the Teacher Assistant can make changes to better herself for the classroom environment. If the demerits continue to be given for the same reasons following this meeting the student may be asked to have a meeting with Ms. Hollie, their respective FCCA Lead Teacher, and their parent/guardian.

All Demerits will be included on the class attendance sheet by the Lead Teacher and turned in at the end of each month to Ms. Hollie.

REWARDS

FCCA Teaching Assistants also have the opportunity to be rewarded for adhering to the guidelines and expectations for them set by the studio. Just as demerits are distributed for areas that need improvement, reward points are distributed to assistants for the following:

- Perfect attendance (per semester)
- Promptness (being in the studio and ready 10 minutes before class and having the room setup prior to the Lead Teacher arriving in class)
- Dress code (coming to class in ALL appropriate pieces of the FCCA Teaching Assistant attire)
- Other reward points may be given for other areas including dance memorization, leading class warm ups, motivation/application of self in class interactions, etc as determined by their Lead Teacher and/or Ms. Hollie

Teaching Assistants must have a minimum of 15 points for the month to get a prize. All Reward points will be recorded on the class attendance sheet by the Lead Teacher and turned into Ms. Hollie at the end of each month.

OBSERVATIONS

In order for this program to ensure that it is providing quality training to each teacher assistant, observations will be key in continuing to be committed to the assistant's teacher development. Teacher Assistants will be observed on a weekly basis by their Lead Teacher, and monthly that Lead Teacher will complete the FCCA Teacher Assistant Training Key for each assistant. The observations will only be shared with Ms. Hollie and kept confidential from other Lead Teachers, Assistant Teachers, students, and other parents at FCCA. Each assistant's results will be shared with the assistant informally through interaction with their Lead Teacher.

Ms. Hollie will conduct Teacher Assistant observations periodically. After these observations, teacher assistants will be asked to attend a short, informal meeting with Ms. Hollie to address areas of excellence, areas of improvement, and to discuss any questions/concerns the Teacher Assistant may have.

Assistants should know that any time they have a question concerning their role at the studio as an assistant that they need not wait for an observation or observation meeting to speak with their Lead Teacher and/or Ms. Hollie. Please know that the office door is always open!

REQUIRED TRAININGS

All Teacher Assistants will be expected to attend 2 trainings during the course of the 2017-2018 dance season. The first will be held **August 2017**. During this meeting the FCCA Assistant Teacher Training guidelines (this packet) will be discussed. In addition, students will have the opportunity to be introduced to class formats/curriculums, see what a class in the life of an assistant at FCCA looks like, and ask any questions they may have concerning this unique teacher training program. Pizza will be provided for students at this meeting.

The second training will be held **JANUARY 2018** prior to the beginning of the spring semester. During this meeting, Assistant Teachers will be introduced to how class formats will be altered in preparation for recital, tools that may be utilized for dance memorization, assistants' responsibilities during recital, and any other items deemed appropriate by Ms. Hollie. Pizza will be provided for assistants at this meeting.

TEACHER-TEACHER ASSISTANT DANCE

As part of being a Teacher Assistant, students have the privilege of participating in the FCCA Teacher-Teacher Assistant dance during the recital. Participating in this event will mean a few additional practices toward the end of the season and will be announced during the spring semester. Participation is greatly encouraged, but not mandatory.
